Third Wave Feminism Event

We plan to:

- * Identify characteristics of Third Wave Feminism (TWF) and how it is similar and different to first and second waves
- * Consider how social forces (including the World Wide Web and information revolution) have influenced TWF
- * Discuss the intersection of TWF with the church and women's spirituality movements
- * Explore what it means to be living TWF in our personal, collective, and global lives
- * Reflect on current events/trends through the eyes of TWF (e.g.: The USA Democratic Leadership; the Green Movement; the Progressive Christianity Movement)

Our time together will include presentations, discussions, singing, ritual, small groups, free time, sharing hopes and dreams, interest groups and laughter.

Third Wave Feminism Event

Thursday to Sunday.

Cost \$275 includes: meals, snacks, resource people, accommodation, and Calling Lakes fabulous hospitality.

Money is a continuous source of frustration and anxiety in women's lives. In the ebb and flow of our lives, we experience times of abundance and times of need. If you are in an abundant time, we welcome your financial donation to the gathering. If you are in a time of need, we strongly encourage you to ask for whatever subsidy will make it possible for you to attend. As a feminist group, we are concerned that lack of money not deter any woman from coming.

Subsidies are also available for child/dependent care. Please let us know your needs well in advance. If possible, we encourage you to arrange care at home. If this is not possible, we will do our best to arrange care at Calling Lakes Centre with sufficient notice.
